

# ML-XPERT Analysis Report - 20250316\_235321

## Dataset Information

|                |     |
|----------------|-----|
| Total Samples  | 768 |
| Features       | 8   |
| Missing Values | 0   |

## Model Information

|              |                                 |
|--------------|---------------------------------|
| Model Type   | Artificial Neural Network (ANN) |
| Problem Type | Classification                  |

## Performance Metrics

| Metric    | Value  |
|-----------|--------|
| Accuracy  | 0.6364 |
| Precision | 0.4545 |
| Recall    | 0.1852 |
| F1-Score  | 0.2632 |
